Infinitely fine. | بريق لاينتهي

LAUNCHING IN DUBAI · [DATE]

IN + FINE = INFINITE

The name joins two promises: *infinite*, because a diamond is forever, and *fine*, the highest grade of jewellery.

In the wordmark, the dots of both i's are cut as diamonds. In the symbol, an endless loop meets at a single brilliant stone.

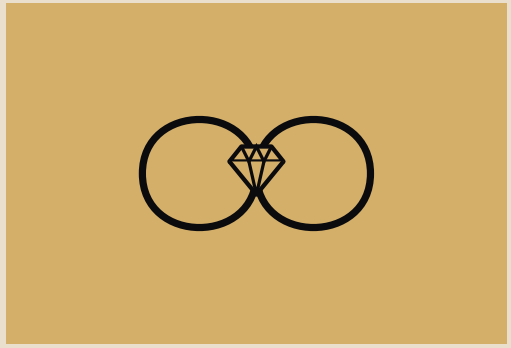

Quiet enough for a boutique in Dubai Mall, bold enough for a billboard on Sheikh Zayed Road.
