إنفاين *Infinitely fine.*

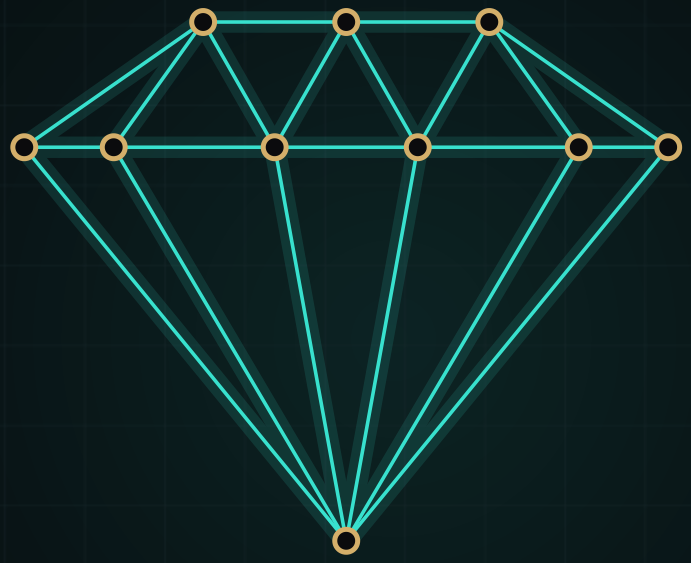

fine forever إنفاين

infine

Calligraffiti blends Arabic calligraphy with street art, a style that feels at home on walls across Dubai. The name loops in a circle, endless, around a single diamond.

BEST FOR: BOUTIQUE FACADE, MALL ATRIUM, LAUNCH-NIGHT LIVE PAINTING

infine //onchain

Proof of forever.

The diamond redrawn as a network: every facet is a node, every edge a link. Each stone gets a digital twin with its full provenance on a public blockchain.

verified provenance | digital twin | pay with crypto*

TOKEN #[ID] · [CHAIN]

01 Buy the stone

In store or online. Pay by card or with crypto through a licensed partner.

02 Get its digital twin

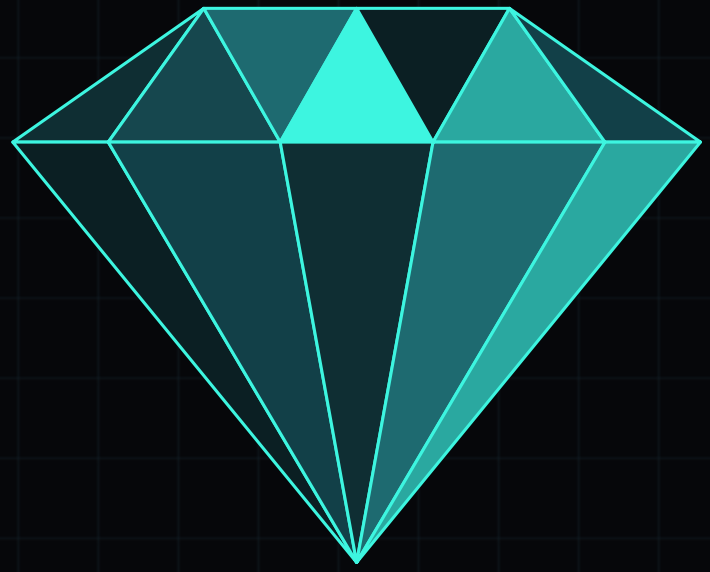

A token holds the lab report, photos and story of your diamond.

03 Own it forever

Resell, gift or pass it down. Its history moves with it, open to verify.

INFINE · DUBAI

For the diamond hands.

Pay with crypto*. Keep it forever.
